APPLICATION FOR DIRECT PAYMENT

What You Should Know About Direct Payment

Each quarter we will mail your water bill at least 30 days before the due date. Then on the due date we will automatically deduct the amount due from your checking or savings account.

This does not give us any access to any of your bank balances. The payment simply moves electronically from your bank to ours. You will never have a late charge. This payment will be shown on your next bank statement. There are no fees or charges for this service and you may cancel it at any time by calling our office at 717-764-3624.

To begin this service please fill out this authorization form and return it to our office. You must include a VOIDED check from the account you wish to use. You will see a message on your bill telling you when you are a direct debit customer.
